**WEDNESDAY, FEB. 13**  
11AM - 12PM

### LIQUID LUCK; **LAUNCHING A FILM COMPANY**

Join FITV CAM Alumni, Ian and Lauryn Kellett, as they discuss their passion of creating a film company, Liquid Luck, in an industry that doesn't really exist in Colorado. Working in downtown Denver with a team of five CAM graduates, Liquid Luck has built their company from bottom up to become an award winning way to tell stories through video.

**AT CITY CENTER  
1201 LARIMER ST.**

**WEDNESDAY, FEB. 27**  
11AM - 12PM

### KELLY KRAMARIK; **MUSIC, MONEY, AND MORE**

Kelly started her own freelance company, Kelly K Audio, in July of 2017 after working in live sound, studio recording, podcast production, film production, and post production. She is now working her dream job as an audio editor at Starz. Come to hear her inspiring story about the road to success.

**THURSDAY, APRIL 4**  
11AM - 12PM

### SYDNEY CLAPP; **MUSIC ADVOCATE FOR MUSICIANS**

Join CAM Alumni, Sydney Clapp discuss her passion for music and art to assist Colorado Creative Industries in their efforts to support musicians and artists throughout the state.

**MONDAY, APRIL 15**  
11AM - 12PM

### THOMAS EVANS; **CONNECTING MUSIC AND ART THROUGH TECHNOLOGY**

Thomas Evans: Connecting Music and Art through Technology  
Returning speaker, Thomas Evans (Instagram: @detour303), comes to speak about his unique approach to breaking down barriers to bridge the gap between viewer and artistic message. His art focuses on sight, sound, and issues surrounding urban culture.
